

I can use my  
words

Sometimes I forget  
to use my words.

When I use my words with people they can understand what I am saying.

I can use my words to tell people how I feel. I can say 'I don't like that' or 'I am angry'

I can use words to ask for help. I can say “Help me please”.

When I yell or make silly noises people do not understand what I am saying.

When I yell or  
make silly noises  
people around me  
can get upset or  
angry.

My family and  
friends help me  
remember to use  
my words. They  
say “Please use  
your words”.

Everyone is happy  
when I use my  
words.
