

MAKE A PAPER PINWHEEL

YOU WILL NEED:

- Scissors
- Glue stick
- Eraser
- Paper straw
- Map pin or thumbtack
- Stopper (a rubber earring back, a seed bead or a Styrofoam ball)

INSTRUCTIONS

1. Colour in the front of your pinwheel and the small pentagon.
2. Cut along the black lines.
3. Glue each of the black dots into the centre, one on top of another.
4. Glue the pentagon on top, in the centre of the pinwheel.
5. Pinch one end of the paper straw to make it flat.
6. Lay the flat end of the straw on the eraser, and place the centre of the pinwheel on top of it.
7. Very carefully push your pin through all the layers of your pinwheel and the straw.
8. Pull the eraser off and put a stopper on the point of the pin.

A Pin Free Alternative

Use a medium paper fastener (split pin) instead.

Use a hole punch to form large holes on each dot. Fasten and open the split pin. Pinch the top of the paper straw together and cut a 1 cm slit down the centre. Slide the split pin into the slit in the paper straw.
